SWCAA FIRE TRAINING PERMIT

This permit is issued in accordance with, **WAC 173-425-060** and **SWCAA 425-060 Outdoor Burning Permit Program/Requirements** which states.

- (2) **Types of burning that require a permit.** Except as otherwise stated, a permit is required for the following types of outdoor burning in all areas under the Agency's jurisdiction.
 - (f) Fire fighting instruction fires for training to fight structural fires in urban growth areas and cities with a population over ten thousand, and all other fire fighting instruction fires, except fire fighting instruction fires for training to fight structural fires as provided in RCW 52.12.150, aircraft crash rescue fires as provided in RCW 70.94.650(5), and forest fires. [RCW 70.94.650 (1)(b)]
- (3) **Fees.** SWCAA may charge a fee for any permit issued under the authority of this rule, provided that a fee must be charged for all permits issued for weed abatement fires and fire fighting instruction fires. All fees must be set by rule and must not exceed the level necessary to recover the costs of administering and enforcing the permit program.
