ADP Application

Application Number	CO-891
Affected Facility	Kalama Export 2211 N Hendrickson Rd Kalama, WA 98625
Description of Facility	Grain Export Facility
Source Designation	Title V Opt-out This facility is a stationary source that would be subject to the Operating Permit Program if a federally enforceable emission limit was not in place. Facility emissions are limited to less than 100 tpy of any single criteria pollutant, less than 10 tpy of any single hazardous air pollutant, and less than 25 tpy of any combination of hazardous air pollutants.
Purpose of Application	SWCAA has received a permit application for installation of new storage bins and associated conveyors and baghouses at the above described facility. The application has not yet been reviewed to determine if it is administratively complete. The SWCAA permit writer identified below will be reviewing the application to make a determination of completeness and, if necessary, make a request for additional information. A copy of the application will be available to the public when the application is determined to be complete.
Affected Pollutants	The proposed permitting action is expected to impact emissions of the following pollutants: Particulate Matter
Public Comment Period	A 30 day public comment period will be provided for this application/permit pursuant to SWCAA 400-171(3). When complete, a copy of the draft permit will be made available at the SWCAA business office and posted on the SWCAA webpage under the "Permits and Appeals/Open for Public Comment" section (www.swcleanair.org/permitsprelim.html). A notice announcing the draft permit will be published in a local newspaper.
Opportunity for Public Involvement	Any person who wishes to review or comment on this application may: • Contact the agency contact person identified below for more information; • Request a copy of the draft permit via regular or electronic mail when available. Requests for a copy of the draft permit must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below; During the 30-day public comment period, any person may: • Provide comment on the draft permit. Comments must be submitted to SWCAA in writing prior to the end of the designated public comment period; or • Request a public hearing for the draft permit. Public hearing requests must be received by SWCAA in writing during the designated public comment period, indicate the interest of the person filing the request, and state why a hearing is warranted. A public hearing will be held if the Control Officer determines that significant public interest exists.
Application Dates	Date received: January 6, 2010 Date of public notice: January 13, 2010
